March 8, 1999

Mr. Adam Ragan
Reports Analysis
Reports Analysis Division
Federal Election Commission
999 E Street, NW
Washington, DC 20463

Dear Sir:

Regarding the Pete Stark Re-Election Committee FEC report (LD C00020974), I have attached amendments to the twelfth day report preceding the General Election and the thirtieth day report following the General Election. These amendments correct the Column B discrepancies for Line(s) 21 and 22 that resulted from an amendment to Line 21 of the October 15 quarterly report.

Sincerely,

Pete Stark
